Poorly Written, Unoriginal

By J. Nations

The author has an admirable mission, the basis of which I also believe. It just isn't well-stated or supported. Scripture often does not match the point, examples are dubious. The English is so poor as to lose meaning at times.

Premarital sex leads to poverty and delay of destiny

We've made it so common that abstinence is the exception not the rule. We have to teach our Christian children why God set this rule in place It's not to punish you but to protect you Destiny killers . At least teach our children the truth so they are able to make decisions with wisdom not fear.
