Great gift for those who can't quite read yet.

By Amazon Customer

My five year old LOVES these books on CD so she can go have someone read to her if I am busy. Great gift for a book/story lover and a perfect alternative to TV and video games.

A fun audio book

By rierie

My 4yo LOVES this CD/book. We listen to it in the car all the time and she loves acting out the characters when we read the book together. She has a few (Sofia, good dinosaur, sleeping beauty) but this one is probably her favorite. Side note, we've borrowed a few other ones from the library and a weird thing is the Cinderella one has the same exact music.... Lol. My daughter loves it tho!
