GETTING YOUR HUSBAND TO TALK TO YOU: SECRETS TO HELPING HIM SHARE HIS HEART BY BOB MOELLER, CHERYL MOELLER PDF

"The only husbands who will not talk to their wives are the ones who do not believe they will be listened to. If your husband believes you will listen to him, he will talk to you."

In this eye-opening new book on communication?or its lack?in marriage, Bob and Cheryl Moeller help couples break free from behaviors that hinder heart connections. The book provides for wives such practical insights as

- the seven most common reasons husbands don't talk to their wives
- the five most common mistakes wives make when talking to their husbands
- seven winning strategies wives can use to get their husbands to open up

In *Getting Your Husband to Talk to You*, the Moellers offer wise counsel that will help wives empower their husbands to share their hearts, draw closer than ever, and enhance their marriage bond.

Excellent book

By Melissa in OH

I heard the authors talk on a radio program and I had to get their book. This book gives wives very concrete examples and explanations on how to get your husband to talk and the differences between how men and women view conversing with each other. I think every woman should read this book. It will help women stay clear of some pit falls we can so easily stumble into that can cause the men in our lives to refrain from talking to us. This is just a really good relationship book and worth reading even if you don't have current problems getting your husband to talk. This book can save marriages if you put the author's advice into action! Don't give up, your marriage is worth saving!!!!

Not as easy to do

By C man

Ladies, this is a very insightful book. Not as easy to do, but encouraging to continue trying.
