Hospitality Industry Managerial Accounting

By A Customer

If Hospitality Finance is your Major, then this book is a must have. Schmidgall is the authority on accounting for the Hotel Industry. This book is used in all of the top Hotel Management programs in the nation including Cornell, MSU, Florida International and etc.

The ratio analysis section is one of the best explanations I have seen to date. I use this book myself and love it.

Hospitality Industry Managerial Accounting

By A Customer

The ratio analysis section of this book is very helpful. But this is an older version of the book. I think a new edition of this book may be available.
