When we read about the tabernacle, we think it is something that took place only during the olden times but the author has illustrated clearly how we can enter the presence of God in our daily lives using the tabernacle. A reminder of who God is and His AWESOMENESS!!!!

By Cheryl

I was introduced to this book by a co-worker and was so intrigued by her expressions as she described what the book contained. I am so grateful for her sharing the experience in connecting with God on a deeper level and understanding the roles we all play in getting to "know" him more intimately. I look forward everyday to reading a small section of the book and smile as I read it. God is truly AWESOME!!!! Just remember that we were created to worship Him and to bring others into the saving knowledge and grace, but you have to be a willing vessel. He is not going to force His way into your life without you inviting Him in. Thank you Terry Law for this book of reminders!!!! I pray favor and God's continued hand over your life.

Sincerely,

Cheryl W
