JOHN (IVP NEW TESTAMENT COMMENTARY) BY RODNEY A. WHITACRE PDF

The Gospel of John declares its purpose clearly--"these are written that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name." Thus it fulfills a dual function, encouraging believers and providing them with evidences for proclaiming that Jesus is God's Messiah, the divine, incarnate Son of God. Christians today, as in the first century, can draw strength and courage from John's telling of the story of Jesus, a telling that consistently reflects not only the words and deeds of Jesus but their inner significance. We are called to worship as we find the Father, Son and Spirit revealed in the Gospel. And as in Jesus we discover God's light, life and love, we learn to respond in faith, humility and obedience. Throughout, Whitacre explains what the gospel meant to its original hearers and its application for us today.

Outstanding Introduction and Commentary on John

By Craig Stephans

Rodney Whitacre succeeds in writing a thorough, scholarly commentary on the Gospel of John that serves readers in a devotional manner also. Whitacre combines top notch insights with eloquent, simple writing based on extensive research on the topic.

This is a book that will prove a satisfactory resource for research, and you will find you will not want to put it down. I think it works great for academics and/or a personal devotional guide to complement Bible reading no matter what your background or familiarity with the Gospel of John.

best commentary on gospel of John

By A Customer

Outstanding book with both intellectual and pastoral care insights. Very effective and useful for bible studies

on the Gospel of John.

Very detailed exposition of each verse while keeping the whole of the Gospel message intact. Recommend highly. If you can only have one commentary on the Gospel of John, this is the one to get.

An outstanding review of The Gospel of John

By William J. Moore

I am presently on page 456 of this book and don't want it to come to an end. It is a thoroughly fascinating review of this Gospel. It has given me new and exciting insights into John's words and descriptions of Jesus Christ and the people who surrounded Him, especially His relationship with "The Father".
