Review

“...[H]ilarious and often horrifying... Cornellà paints each cartoon, and they are surreal and at times disturbing and shocking ... [A] deeply weird play on the reader’s expectations... makes his comics work.” (Rich Barrett - Mental Floss)

“Spanish cartoonist Joan Cornella combines black humor and extreme discomfort, most famously in his wordless, six-panel comics. Cornella’s work deals in mutilation and disfigurement, sadistic or oblivious violence, the alienation of modernity and a total disregard for human life. (I know. It doesn’t sound funny, but trust me.) ... His book Mox Nox is fantastic...” (Amber Frost - Dangerous Minds)

“It’s like if the Perry Bible Fellowship did shrooms. ... These strips are pretty messed up and ridiculous and absurd and nonsensical on their face. But when you dig into the logic that's clearly set up in each strip, they make perfect, perverse sense, and they're often INCREDIBLY funny.” (Jim Dandeneau - Topless Robot)

“[Cornella's] graphic six-panel strips usually follow a certain routine: something awful occurs, somebody attempts to rectify it, a solution is settled upon, one which all seem to be happy with, but one that leaves things worse than when they started. It's gross and utterly nonsensical, the story-telling so tight, so visually smart.” (Zainab Akhtar - Comics & Cola)

About the Author

Joan Cornellà (b. 1981), is a Spanish cartoonist and illustrator.

MOX NOX BY JOAN CORNELLÀ PDF

This book collects the Spanish cartoonist's twisted comics, which are popular on Facebook.

Spanish cartoonist Joan Cornella's viciously funny Mox Nox single-page strips are wordless, full-color, hand-painted marvels of the form. That his visually inviting artwork is in the service of Cornella's graphic sense of humor/horror only heightens the appeal. Mox Nox is populated almost exclusively by smiling psychopaths who invariably turn even the most mundane situation into a side-splitting and cringe-inducing farce. Full-color illustrations throughout

I love this book

By Margaret Swearman

I love this book, and all of Joan Cornella's artwork. However, I was really disappointed at the care the product was shown. The book arrived with indentations in the cover like it had been thrown around and poorly handled during shipping.

Five Stars

By Teleblaster

Really funny stuff! I'm happy to see it readily available in the States.

Love the book's quality and great price

By Mariah W

This was a Valentine's Day gift. I was really happy with the price and the overall quality. I'm a tactile person, so the paper texture is very important to me. This is a cool book for Joan Cornellà fans or a nice surprise for those who don't know him yet and are just fans of comic art.
