PRAYING TWELVE STEPS WITH JESUS: A JOURNEY BACK TO WHOLENESS: A RETREAT WORKBOOK BLENDING IGNATIAN CONTEMPLATIVE PRAYER AND THE TWELVE STEP PDF

For over 60 years, the twelve step program has guided millions of people, caught up in addictions of various kinds, back to health and wholeness. Rooted in the Christian tradition, these steps offer a path for deep spiritual conversion, a way to regain for our well-being, the lost freedom God intends for us. For over 500 centuries, Ignatian prayer has been a source of spiritual guidance and energy for those seeking a deeper relationship with God, Jesus and Spirit. Freedom and discernment are key themes in Ignatian spirituality, inviting all into a fuller, more authentic Christian lifestyle. This workbook is for everybody who finds themselves out of balance, those overly attached to anything that holds them back from living a more abundant life. Not only addictions, but also old habits, worries, anxieties, resentments, or compulsions that can steal away our peace. This program is unique as it combines the transformative power of the Twelve Step and the Ignatian traditions, using the Gospel stories, meditative Ignatian prayer, and journaling. It can be used in solitude, with a companion, or with a small group.

Buy it!

By Mary Ann (Mimi) Ruth

Q. What's more powerful than a book based on a tried and true method?

A. A workbook that blends two successful methods.

Linda Flynn merges the 12 Steps process for healing and spiritual growth that has transformed millions with Ignatian contemplative prayer that has nurtured souls for more than 500 years. This results in a whole-brained approach to change. It blends left-brained planning and action with right-brained imagination and feeling, which fuels our desire for good and God.

,

Linda is a compelling Spiritual Director who teaches and supervises directors-in-training. Her students include clergy, religious, and lay people.

She also designs and facilitates spiritual retreats, workshops, and liturgies. Her book gives us evidence of her solid experience.

This short workbook is practical for personal use and a good resource for retreats. I'm using her book now to build better health habits for myself.

This winter I hope to use it for retreats employing both feminine and masculine approaches to spirituality.

Highly Recommended!!

By Susan Wilhelm

Who would have thought that you could blend the Twelve Steps with Ignatian prayer? In this book, Linda does just that and it works beautifully! She gently guides the reader through the Twelve Steps while integrating scripture readings, meditations, and prayer along with probing questions for journaling. The book provides a structured approach, while at the same time, gives flexibility for readers to set their own pace in addressing each step. Linda's writing style is informative, yet pragmatic so that lay people can understand how to "do" this retreat workbook. I personally found this book to be beneficial in that it helped me focus on certain aspects of myself that I found to be difficult to face. The tone of this book is one of encouragement and support. I highly recommend this book for people who feel their lives are out of balance and/or want to get closer to God.

Get this book!

By Dorothy Pennell

Linda Flynn does a beautiful job of combining the 12 Step Method with Ignatian prayer. Her approach is fresh in its simplicity but it also offers a great deal of depth by combining these practices. She is a trainer of spiritual directors as well as a practicing spiritual director herself, a workshop and retreat leader, and a very spiritual woman, all of which brings authenticity to her writing. If your desire is to get closer to God, the exercises in this book are an excellent way to begin.
