Number-one New York Times best-selling author Iris Johansen offers listeners a classic tale of a love that seems impossible - and a hunger that is undeniable.

Jenny Cashman longs to escape the refined, rarified air of her exclusive Swiss education. At 19, she's desperate for independence - and to once again see the man she loves. So she sells her belongings, leaves Europe, and heads to Las Vegas. The sight of Steve Jason's newest palatial hotel and casino thrills Jenny - but not as much as the sight of the man himself. Steve came to her rescue after her father died, paying for her years of expensive schooling. Now she must convince him that she's old enough to make her own decisions...including about her passion for him.

Steve Jason is a powerful mogul, a man who came from nothing and made a name for himself in the hotel industry before he was 30 years old. He takes great care to keep all emotional involvement with others to a bare minimum - with only one exception. Jenny has always been incredibly important to him. But how can he keep her safe when she seems oblivious to her own stunning beauty and the reactions she gets from other men? It will take all of Steve's resolve to protect her - especially from his own desires.

Old school romance :/

By BeeSTGO

It's an old school romance where the characters are very different in age. Same cliches and plots expected from the older romances. The cover just made it feel like it was new , when in fact it is not. I didn't like this book at all

Return to Santa Flores - Classic Iris Johansen

By Kindle Customer

This is a great read. This is a classic Iris Johansen Loveswept novel. The heroine was fun, cute and sassy, and always getting into one scrape or another that the hero has to get her out from. It is a sweet, cute tale about a heroine and hero where the hero wants to take care of the heroine, but she wants to be independent, hoping that it will help the hero notice she is all grown up now. This book links to Iris Johansen's next Loveswept novel "No Red Roses" with the hero from that book being introduced with a big "splash" in "Return to Santa Flores". The only real detractor is the age difference between the hero and heroine, but Iris

uses it to her advantage, making the age difference an obstacle the heroine has to get the hero to overcome before they can live happily ever after. Other than the age factor, there are a few things that "date" the story, but don't really get in the way of the fun read.

I loooooove this book. It has heart and passion. It's something that touches you and just makes you feel the female character's issues. It just says that Age doesn't matter when it comes to LOVE.... Very inspiring...
