SECRET PLACES OF THE LION: ALIEN INFLUENCES ON EARTH'S DESTINY BY GEORGE HUNT WILLIAMSON PDF

Early traditions speak of the arrival of "radiant beings from heaven," self-sacrificing guardians of the human race who have reincarnated as pivotal figures in the panorama of human history to assist in the work of evolution. Secret Places of the Lion shows how these "great ones" have helped mankind for thousands of years, hiding their secrets in tombs, caverns, temple ruins, and catacombs. Posing as wanderers, they would declare universal wisdom and truth at certain periods of history when people were prepared to receive it; then they would withdraw for a time to see what was done with the new-found knowledge. Thus, the rises and plateaus of our cultural history emerged.

Classic in the UFO field.

Secret Places of the Lion

By Carolyn I Pelarski

"Secret Places of the Lion," written by the same author George Hunt Williamson. People who really want to know the truth that has been kept from us for aeons of time, these books are a good place to start! That is if they keep an open mind and are ready for a greater spiritual awakening out of the sleep of the ages. The Alien influences mentioned in this book are beneficial. Much is not understood at this time. Read quietly and let the wisdom sink in. I couldn't put it down, It's as if I was reliving every thing I was reading, very heartfelt..

Learn about the Christ souls called "The Goodly Company".

By Betty R. Miller

I read this book many years ago and really enjoyed it. So, I ordered several copies to give to my friends for Christmas. This book deals with reincarnation and tells about the "Goodly Company" who came to Earth in ancient times to help and teach humanity, and reincarnated time after time to continue their efforts.

A book for everyone who wants to know the full story of why we are here on earth.

By Merry Lady

This book is so interesting and informative. Answered questions that I have had for years. Put it all in place.

A good book for people who know want to know why they are so interested in bringing the knowledge of the one GOD to the earth. Also, though one may feel different, we are not alone, and we never have been, life after life.
