Reardon](#) can be a referred publication that you could enjoy the option of life.

# **THE DEATHS OF THE POPES: COMPREHENSIVE ACCOUNTS, INCLUDING FUNERALS, BURIAL PLACES AND EPITAPHS BY WENDY J. REARDON PDF**

The traditions associated with a pope's death have changed from when they were buried in the catacombs of Rome. Various ceremonies, rites and rituals developed over time, but a formal procedure was not initiated until the early 1300s and even then was not always strictly followed. This comprehensive reference book provides information on the deaths, funerals and burial places of each pope and antipope from St. Peter (Apostle) to John Paul I. (Innocent X was almost gnawed by rats because no one would bury him; Alexander VI was stuffed into a carpet and pummeled into his coffin; and the corpse of Formosus was physically put on trial...) The Introduction presents a brief history of papal funerals and tombs, and also covers modern burials. A unique feature of the book is its presentation of all papal epitaphs, in their original language and in English--many translated for the first time.

Papal burial places and epitaphs.

By M in Haverhill

Comprehensive listing. Covers the territory. Convenient 1 volume compendium of material only covered piecemeal elsewhere.

16 of 24 people found the following review helpful.

Papal death rules

By Big Tall Mike

Of all the books of papal death, this is the one that I would bring to the beach. This is fantastic summer reading, with or without a Corona in hand. I recommend Papal death.

By Chuck Wilkson

This a great book. Fascinating information on the rituals used in the past. The list of Popes and how they died was worth the price of the book alone.
