The Best Stop Smoking Method 4 Me

By Marli

Just the thought of quitting would cause me to panic and smoke more than usual!

I didn't want to use patches and pills, or have to rely on willpower or some kind of motivation.

Fortunately I didn't have to.

I did the course on line, with Eric talking in a whole lot of videos and MP3's. So I can't judge if the book would have worked for me like the course did.
