THINGS WE FORGET: LITTLE REMINDERS OF WHAT MATTERS MOST BY J. J. PENN PDF

Sometimes the most important things in life are the ones we forget.

This inspiring collection of hand-drawn notes began with a simple premise: It's worth remembering what's most important in life, even when you can't see the bigger picture. From his very first note, written hastily in the backseat of a taxi for the benefit of the next passenger (it said "Never give up"), J. J. Penn has inspired both passersby and devoted online fans with his uplifting and quirky reminders. Every day since then, Penn's simple notes, created with nothing more than a pen and a sticky pad, have been photographed and then left in public—on a park bench, at a bus stop—anonously and hopefully, to spread a little goodwill and brighten someone's day.

Collected in book form, they serve as a heartfelt reminder about what matters most.

Sweet. Really, really sweet.

By Ju

This book tells one of the simplest, sweetest stories I have ever read. Initially bought as a gift, I caught myself smiling as I flipped through it - pretty amazing how the author managed to make a simple line, a tiny drawing so meaningful. Definitely worth keeping, and worth reminding myself that there are little joys in life, everyday. A+!

Perfect Christmas present

By Yvonne Yeow

This is such a positive, optimistic book.

Some of us are too busy to read thick self-help books. This isn't a self-help book per se, but it offers so much hope and encouragement, and yet it is easy and a pleasure to go through. I bought 8 copies to give as Christmas presents. It's perfect for the holiday season.
