Word Wealth

By Monique J. Smith

When I was in junior high (over 20 yrs ago) my school used this book to build vocabulary. I still remembered the title and was attempting to buy it for my college-bound niece. It helped me score in the 99th percentile for verbal on every standardized exam I ever took. Do a chapter a week and your vocabulary is guaranteed to improve!

Best vocabulary textbook for middle school

By Patricia Stockwell

As a teacher, I have reviewed many vocabulary texts and have never found one as effective as Word Wealth Junior. Students who have used this text have consistently scored much higher on standardized tests than those who used the typical vocabulary workbook.
